Richard

In follow up to our telephone conversation of Monday, March 15th, this is to confirm that National A1's President, Richard Cohen, will be traveling to Nashville on March 22nd for the Directors' deliberations on National's Advisory and Petition in Reference of Reassignment of N11 Number Code

Unfortunately, due to the limited flight availability, Mr. Cohen's flight will not arrive in Nashville until 1:00p.m. Based on our prior discussions, and your estimate that National's petition will not be heard until 1:30 p.m. or 2:00 p.m., this should not present a timing problem. However, should National's petition come before the Directors before Mr. Cohen arrives, we ask that it be delayed until he is present. In the event that the Conference is finished before Mr. Cohen arrives (due to flight delays or some other cause out of his control), we ask that the Directors grant National's petition and address any questions they may have post-Conference. While this may be a slightly unorthodox approach, we believe it is justified given the sensitive time frame surrounding the reassignment and National's good faith intentions to be present at the Conference.

We appreciate your willingness to accommodate National in this regard. If you have any questions or need any additional information, please don't hesitate to contact me.

Respectfully,
